

Who is Broadreach?

We began as Waldo County Preschool & Family Services over 30 years ago to provide early education. We now serve people of all ages striving to reach their full potential in Knox and Waldo counties through programs like inclusive preschools, case management and Youthlinks.

Our Mission

Broadreach is a community-based organization that strengthens the fabric of our community by offering hope, advocating for fair treatment, equity and social justice, and by connecting resources through education and collaboration; we work with children, youth, adults and families across the lifespan, including those with diverse life challenges, to discover their potential, foster independence and lead healthy and productive lives.
