Parent Partner Program Information for Families

A Program of CPPC

Serving Knox, Waldo, Sagadahoc and Lincoln Counties

Mission:
Together, we keep children and their families safe, engaged, and thriving.

Who we are:

We are parents who have been through the child welfare system and are dedicated to supporting other parents going through the same process.

Involvement with Child Welfare can bring a rush of emotions: fear, shame, worry, anger. We are here to provide support from someone who understands — someone who has been there.

What we do:

We support parents individually through weekly meetings or in a group through one of our Parent Partner – facilitated, topic-based workshops. We offer emotional support, knowledge of how the system works, help with Family Team Meetings, and assistance with setting and reaching goals.

Who we serve:

We serve parents and families at any stage of involvement with Child Welfare.
